ANNUAL INDEX

VOLUME 49, JANUARY-DECEMBER, 1975

January, 1:1-48; February, 2:49-96; March, 3:97-146; April, 4:147-196; May, 5:197-244; June, 6:245-292; July, 7:293-340; August, 8:341-388; September, 9:389-436; October, 10:437-488; November, 11:489-536; December, 12:537-584

SUBJECT INDEX

BEHAVIORAL SCIENCE

The teaching of demographic components in the behavioral sciences to dental hygienists, Fredericks M, Lobene R, Mundy P: 8:352

CONSULTANTS

What is the role of the consultant, Housley J: 12:557

CONTINUING EDUCATION

Dental hygiene participation in a mandatory continuing education system, Born D, Quam H: 5:215

DENTAL AUXILIARIES

International dental nurse programs, Gladstone R: 4:169

Partners in progress, Hillenbrand H: 7:319

Perspectives on the development of dental hygiene in Germany, Koch C: 10:454

Plaque control and oral hygiene status of dental auxiliary personnel, Barnes G: 2:63

DENTAL FLOSS

The plaque removal ability of waxed and unwaxed dental floss, French C, Friedman L: 10:449

DENTAL HYGIENE

Expanded Duties

Expanded-function dental hygiene student performance evaluations, Sisty N: 9:401

Patient views on team dentistry and expanded duties, Martens L, Loupe M, Modlin L, Di Angelis A: 7:305

History

Dental hygiene—fifty years ago, Bottomley M: 2:74

Looking back in dental hygiene, Spinnato L: 1:29

New discoveries, Motley W: 9:414

International

International dental nurse programs, Gladstone R: 4:169

My experiences as a dental hygienist in Nigeria, Hall R: 5:220

Perspectives on the development of dental hygiene in Germany, Koch C: 10:454

We need your help, Verheijen N: 11:505

Practice

A dental hygienist's role in an area-wide comprehensive health planning agency, Hawes M: 8:360

The dental significance of cortis costeroids, anti-hypersensitive drugs and anticoagulants, Tocker J, Weibert E: 1:11

Income tax audit, it could happen to you, Koons S: 6:283

My experiences as a dental hygienist in Nigeria, Hall R: 5:220

The plaque removal ability of waxed and unwaxed dental floss, French C, Freidman L: 10:449

Reaching the terrible teens, Palmer C: 8:364

The role of the dental hygienist as a nutritional counselor, Cline A: 12:555

Root planing—a review of the literature, Byrnes N: 3:111

Research

Cariogenicity of streptococcus mutans, Schindler B: 3:115

The dental significance of corticosteroids, anti-hypersensitive drugs and anti-coagulants, Tocker J, Weibert E: 1:111

The plaque removal ability of waxed and unwaxed dental floss, French C, Freidman L: 10:449

Ultrasonic devices vs hand instruments: the scientific rationale, Moore L: 8:356

Students

Comparative performance of dental hygienist students in a course designed for dental and medical students, Shapiro S, Avery K, Ferguson S: 5:211

An example of student involvement in community dental health, Smith M: 2:76

Expanded-function dental hygiene student performance evaluations, Sisty N: 9:401

DENTAL HYGIENISTS

California proudly presents March Fong Eu, Secretary of State, Wahlander H: 8:368

EDUCATION

Dental Health

Dental self-care training in the schools, Ayer W, Lake T, Thornberg N: 11:501

A preventive dental health education plan for preschoolers, White K: 11:510

Dental Hygiene

Comparative performance of dental hygiene students in a course designed for dental and medical students, Shapiro S, Avery K, Ferguson S: 5:211

The effectiveness of a dental hygiene education pro-

California proudly presents March Fong Eu, Secretary of State, Wahlander H: 8:368

EDUCATION

Dental Health

Dental self-care training in the schools, Ayer W, Lake T, Thornberg N: 11:501

A preventive dental health education plan for preschoolers, White K: 11:510

Dental Hygiene

Comparative performance of dental hygiene students in a course designed for dental and medical students, Shapiro S, Avery K, Ferguson S: 5:211

The effectiveness of a dental hygiene education pro-

gram on oral health, Berk G: 4:161
An evaluation of a course in pre-clinical dental hygiene, Dudley A: 3:118
Expanded-function dental hygiene student performance evaluations, Sisty N: 9:401
Humanization of dental hygiene education, Skaff K: 10:466
Increasing the objectivity of clinical grading, Gaines W, Rasmussen R, Uchello E: 6:277
The teaching of demographic components in the behavioral sciences to dental hygienists, Fredericks M, Lobene R, Mundy P: 8:352

FLUORIDATION

Fluoridation, Jacobs B: 12:549

HEALTH CARE DELIVERY

Community Dental Health

Community aspects of preventive dentistry: past, present and future, Pyke S: 7:323
Dental health program for Indian children, Harrington S: 9:412
An example of student involvement in community dental health, Smith M: 2:76

Handicapped

The bean bag chair and the pedodontic patient with cerebral palsy, Cramer J, Wright S: 4:167
We need your help, Verheijen N: 11:505

Teenagers

Reaching the terrible teens, Palmer C: 8:364

Utilization of Dental Hygienists

A dental hygienist's role in an areawide comprehensive health planning agency, Hawes M: 8:360
Expanded-function dental hygiene student performance evaluations, Sisty N: 9:401

HEALTH MAINTENANCE ORGANIZATIONS

A report on the Hunter Foundation, Schweikle E: 10:460

NUTRITION

Dietary sucrose: dental dilemma, Shannon I, Edmonds E: 6:257
Reaching the terrible teens, Palmer C: 8:364
The role of the dental hygienist as a nutritional counselor, 12:555

PATIENT EDUCATION

Dental health program for Indian children, Harrington S: 9:412
The effectiveness of a dental hygiene education program on oral health, Berk G: 4:161
A system for dental patient education study—reports on its effectiveness and feasibility, Weiss R, Fox K: 1:15

PEDODONTICS

The bean bag chair and the pedodontic patient with cerebral palsy, Cramer J, Wright S: 4:167

PREVENTIVE DENTISTRY

Community aspects of preventive dentistry: past, present and future, Pyke S: 7:323

ROOT PLANING

Root Planing—a review of the literature, Byrnes N: 3:111

TEAM DENTISTRY
